

Tucson HEAT Basketball Sponsorship Opportunities

High standards - Education - Attitude - Teamwork

Are you looking for a new opportunity to reach potential customers? Maybe a company banner hanging in a gym full of kids and parents? Or sponsor a complete project like a new scoreboard or floors in the gym? The Tucson HEAT is a non-profit club basketball team for boys and girls from grades 1-12. You can reach families that are interested in sports, recreational activities and travel.

With the help of the Southern Arizona community, the Tucson HEAT continues to help our players reach their potential. The Tucson HEAT has assisted over 75 players with college scholarships. Sponsorships and donations support the scholarship possibilities for our student athletes. For more information on sponsorship package levels, see reverse side of this flyer.
