

Tucson HEAT Players and Parents

Welcome to the Tucson HEAT Basketball Association. Our goal is to instill a love for the game, help players develop and improve their basketball skills, understand the value of their education, understand the importance of high quality character and learn to play the game the right way. We will be entering youth leagues throughout Tucson as well as entering several tournaments throughout the year. Some of these tournaments might be out of town but that is not guaranteed for all levels. Players will be assigned to teams based on age, skill level and position demands. There will be an opportunity for players to move from team to team based on their individual development.

Our emphasis for elementary and middle school players is geared toward making you better players through solid coaching and hard work. If you are not ready to put forth the effort it will be difficult for you to make the progress needed to reach your potential.

Your coaches will send Emails or texts with updates of practice schedules and other pertinent information.

Enclosed are four forms:

- A) Information Sheet
- B) Player Commitment
- C) Parent Commitment
- D) Waiver Form

This information is needed as soon as possible for insurance requirements and to complete rosters for league and tournament registration.

Let's all have fun and enjoy our time in the gym!

Tucson HEAT Parent Commitment

This year the Tucson HEAT will include players whom are currently in the first grade through their senior year in High School. As we expand, we remain dedicated to high standards of achievement on and off the court. Our goal is to help players develop as young men off the court as well as coaching them to their highest level of potential on the court.

The first commitment for you as a parent is to support your sons' / daughters' commitment by:

- A) Supporting his participation in the Tucson HEAT tournaments and events.
- B) Supporting his commitment to attend and be on time to all practices.
- C) Supporting the coaches requests for outside conditioning and drills.
- D) Supporting your sons' / daughters' commitment to maintain at least a 2.5 grade point avg.
- E) Supporting your sons' / daughters' commitment to participate in community service projects.

The second commitment for you as a parent is to support the Tucson HEAT Mission:

The goal of the Tucson HEAT is to provide a positive experience for all players and their families. We need all families to commit to taking an active role by:

- A) Contacting businesses and individuals who might be interested in financially supporting the Tucson HEAT. If you would prefer that we contact them, please share their contact information with us.
- B) Paying a monthly membership fee (scholarships are available based on need)
- C) Paying tournament travel costs for events in which your son / daughter participates. (Travel costs will be divided equally by the number of players who travel).

We will not exclude young men or women due to financial limitations. We ask that each family determine their level of financial capability in regards to the monthly fees and travel expenses. As a non profit organization, we will approach the community to provide scholarships which will enable all young men and women to participate. We do ask that families and players assist in this process.

If you determine that you will need scholarship support or have financial questions, please contact Karen Sonnek or Cliff Harris.

Fees can be paid on line through the Tucson HEAT website or by check (*checks made payable to Tucson HEAT*)
